Knowing and understanding history is important context when talking about race. Watch [What is the Origin of Race?](#)

## Thought Starters

- How was the evolution of race connected with the rise of commerce and capitalism?
- How were racial categorizations merged into law?
- How did the revolutionary ideas of equality and rights of man also harden ideas of race?

## Reflection Questions

- What did you learn?
- What made you uncomfortable?
- What were some blindspots?
- What actions did you take or might you take?
